## PART 3 – COMMUNITY PHYSICAL ACTIVITY FACILITIES/PROGRAMS

We are interested in finding out what types of opportunities for physical activity for grade 4 and 5 students are available in your community. Please answer all of the following questions in terms of the activities available for **Grades 4 and 5 students** only.

Please identify as many facilities as possible that offer opportunities for grade 4 and 5 children to participate in physical activities. We have created categories of typical places that offer physical activity programs to help you complete your list. After each facility, please describe what kinds of programs are available for grade 4/5 children, how many times per week the program is offered, and whether the program is led by a volunteer or paid staff person. If the facility offers more than one program, use additional lines to describe the programs.
